## 3rd QTR Environmental Compliance Training

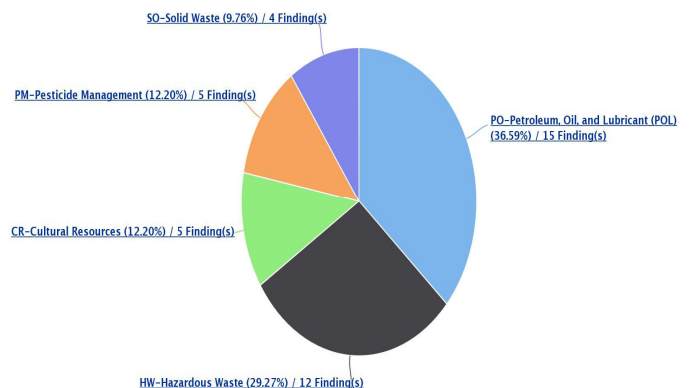

Fort Rucker Environmental Compliance training scheduled for April 2022 will be provided virtually through means of PowerPoint presentations. Please be sure to sign up for required training on the Sustainable Fort Rucker Website ([www.fortrucker-env.com](http://www.fortrucker-env.com)) prior to **8 April 2022**. Registered personnel will receive training material and exams at the email address provided during registration. Please contact Melissa Lowlavar, [melissa.g.lowlavar3.civ@army.mil](mailto:melissa.g.lowlavar3.civ@army.mil) if you have any questions.

- HWSAA Manager (2hr)
- 90-DAY HWSAA (2 hr)
- SPCC Training (2hr)
- EO Training (1 day)

## FY22 External EPAAS Final Findings!!

Finally, DPW-ENV has received the Final Findings from Army Environmental Command regarding our FY22 External EPAS conducted 1 Nov – 4 Nov 2021. Be on the look out for your facility findings to provide corrective action responses. Please contact Melissa Lowlavar ([melissa.g.lowlavar3.civ@army.mil](mailto:melissa.g.lowlavar3.civ@army.mil)) with any questions.

"The greatest threat to our planet is the belief that someone else will save it." -Robert Swan

# Compliance Corner

The Compliance Corner is focusing on **Earth Day & The Fort Rucker Recycling Center** this quarter. Let us know if you would like information about a particular topic, and we will include it in the next Flying Green Article.

## Recycling Center

Building 9322,  
3rd Ave,  
Fort Rucker, AL 36362  
334-255-0468  
Drop Off Hours:  
0730-1530 M-F

**Used Batteries** Collect used batteries and turn them into the HMCC (BLDG 1315, 334-598-1037) for recycling.

**Cardboard** All cardboard may be recycled by bringing it to the recycling center for the incentive program. DPW-ENRD also collects cardboard from collection points across the installation.

**Paper** Copier paper, writing paper, memos, index cards, glossy computer printouts, bond copier paper, post-it notes, books, magazines, manuals, notebook paper, correspondence, fax paper, brochures, manila file folders, and envelopes should all be placed in containers and brought to the Recycling Center for the incentive program.

**Aluminum Cans** Collect and bring cans to the Recycling Center for the incentive program.

**Plastic Bags** Turn in plastic bread and grocery bags at the Commissary (BLDG 8900, 334-255-6671) for recycling.

**Printer & Toner Cartridges** All types of printer and toner cartridges (used, broken, and new, if at end of life) can be turned in at the Recycling Center.

**Metal** All scrap metal and metal furniture, not on a hand receipt, should be taken to the Recycling Center and placed in designated bins.

**Electronics** Discarded electronic equipment, such as computers, TVs (no CRTs), and audio equipment may be dropped off at the Recycling Center during normal business hours.

**APPLIANCES SUCH AS STOVES, MICROWAVES, REFRIGERATORS AS WELL AS HAND RECEIPTED ITEMS WILL NOT BE ACCEPTED.**

Please contact Willard Childress with questions regarding The Fort Rucker Recycling Program.

## "HUNT FOR RECYCLABLES"

On 22 April 2022 and bring your recyclables to the Fort Rucker Recycling Center, Bldg. 9322.

Check out Fort Rucker DPW Environmental & Natural Resources ON [FACEBOOK](#).

## The Three Rs of Recycling

1. **REDUCE**...use less
2. **REUSE**...put back in service without change
3. **RECYCLE**...put into service with change

## ENVIRONMENTAL IQ

**LAST QUESTION:** How much does the average American consume in paper, wood, and other products made from trees each year?

**ANSWER:** The average American uses seven trees a year in paper, wood, and other products made from trees. Throughout the United States this amounts to about 2 billion trees per year!

**NEW QUESTION:** On average, how many aluminum soda cans are used in the United States each year?

Check here in the next issue for the IQ answer and a new question to test your environmental knowledge
