AMIM-NOP-E (1)

28 JUN 2023

MEMORANDUM FOR SEE DISTRIBUTION

SUBJECT: Fort Novosel Underground Storage Tank Policy

1. The purpose of this memorandum is to formally establish Fort Novosel's policy to prohibit the installation of any new underground storage tanks (USTs) on Fort Novosel.
2. Due to the regulatory requirements for UST installation, operation, and closure, Fort Novosel's policy is not to allow any additional USTs to be put in operation on Fort Novosel. In addition, the regulatory costs associated with permitting and registering USTs, as well as future sustainment, operating, and closure costs put a financial burden on the Federal Government. Reference, Part 280, Title 40, Code of Federal Regulations (Technical Standards and Corrective Action Requirements for Owners and Operators of Underground Storage Tanks (UST)), for specific regulatory requirements.
3. This memorandum supersedes GC Policy Memo 22-57, dated 18 February 2022, and will remain in effect until changed or formally rescinded. For additional information or questions, please contact Mr. Samuel Lynon at 334-255-1656.
